

ABOUT THE AUTHOR

Charles Kacprowicz is the founder of CITIZEN INITIATIVES which presently is advancing 19 Amendments to the United States Constitution through “Single Issue” Federal Conventions.

Charles has been working to reinstate righteous laws in America for 38 years. *The Balanced Federal Budget Amendment* is a top priority for Charles because he is persuaded that no debtor nation can long remain free. He has been fighting for the Unborn Child’s right to life since January 23, 1973. He has authored multiple position papers, the *UNBORN CHILD AMENDMENT – A National Strategy to Amend the U.S. Constitution Through State Legislatures*, *THE ELEVENTH NATION – America Identified In Prophecy* and *RECLAIMING AMERICA through SINGLE ISSUE Federal Conventions*.

No stranger to media attention, Charles has appeared on many radio and TV talk shows. He conducts prophecy seminars, has been the guest speaker before 200+ audiences, lobbied Congress on behalf of the Unborn Child Amendment and Late Term Abortion Bills twice vetoed by President Clinton, and has received support from United

States Senators, United States Representatives, State Legislators and Pro-Life Groups.
